

CASEN CSN06

Grounded in sustainability and designed for modern life, the Elyara design from the Casen collection reflects a quieter way of living. Its vintage-inspired Persian medallion appears softly timeworn, unfolding in a palette of light brown, muted blue, and gray, like a piece shaped gently over time. Hand tufted from 100% PET recycled yarn, it transforms recycled materials into something refined - offering exceptional durability, resistance to wear and fading, and a soft, plush feel underfoot. A subtle luster catches the light, adding depth to its distressed pattern.
