

CATALYST CTY33

The show-stopping yet surprisingly versatile appeal of the Catalyst collection brings contemporary edge to any home. The distressed, geometric trellis design of the Rehan rug creates a dynamic statement in tones of light gray, silver, and tan. Metallic polyester fibers blended with soft polypropylene provide a high-low texture and lustrous sheen while maintaining stain and water-resist qualities. Easy care and cleanup allow this modern rug to thrive in high traffic areas of the home such as living rooms, halls, entryways, playrooms, and bedrooms.
