

EN BLANC EBC12

The stunning En Blanc collection captures the elegance of neutral, vintage-inspired patterns and melds Old World aesthetics with an updated and luxurious vibe. The Wayreth rug boasts a repeating, floral trellis design in tonal hues of taupe, silver, cream, and hints of gold. Soft and lustrous, this chameleon-like design emulates the timeless style of a Turkish hand-knotted rug, but in an accessible polyester and viscose power-loomed quality. This traditional accent piece thrives in low traffic areas of the home like bedrooms, formal dining areas, formal living spaces, and sitting rooms.
