

LARK LAR05

Inspired by the distressed perfection of antique textiles, the Lark collection is warm and inviting with rich, updated hues. The updated traditional Regard area rug showcases an intricate, floral design paired with short, cream fringe. The nature-inspired details spring to life in hues of slate, bronze, cream, and taupe. This indoor rug thrives in high and low trafficked areas of the home such as living rooms, halls, entryways, bedrooms, and dining areas.
