

LILIT LIL04

With its neutral colorways and tree of life pattern inspiration, the Lilit collection is reminiscent of the traditional Persian designs found on distant travels, but with an easy-to-decorate and contemporary twist. The Lechmere design features a traditional tree of life pattern with geometric and floral detailing in hues of beige, cream, and taupe. Short, cream fringe add to the global style of this stain and water-resistant accent piece. Crafted of soft, polyester, and polypropylene pile, this area rug thrives in high traffic areas of the home while proving easy to clean and enduring children and pets.
