

STORY LOOM STL02

Charcoal, medium gray, and silver tones come together in a dynamic, striated pattern that adds movement and depth without overwhelming the space. Handwoven from a blend of natural sisal and wool, the Vasanta design from the Story Loom collection balances structure and comfort. Sisal provides exceptional durability and a crisp, architectural texture. Its low-profile boucl? weave delivers a richly textured surface that holds its shape over time, making it a refined yet hardworking foundation for modern interiors.
