

SWOON SWO16

LABEL J BY JAIPUR LIVING

Bringing to life an enchanting and truly captivating style, the Swoon collection boasts whimsical color combinations that are vibrant and inspired by traditional Turkish textiles that have been aged in the sun for a faded and timeless look. The Lisana design features a floral trellis design and vivid hues of blue, pink, gray, beige, gold, and tan for a romantic colorway. Crafted of soft, plush polyester, this performance-driven rug is perfect for homes with pets and kids or as a durable accent in outdoor seating areas or high-traffic areas.
