

Annecy Console Table Natural

Best describe as a show stopper, the Annecy console table features an art-deco inspired aesthetic with a rustic twist. Made from reclaimed fir wood, it will withstand major wear and tear. Four deep drawers that seem to float above the brass finished frame makes it practical to keep essentials handy and airy at your entry way.

- Art Deco Warmth: Reclaimed fir and a brass-finished metal base give this console an Art Deco profile with a grounded rustic edge underneath.
- Reclaimed Fir Case: Solid reclaimed fir brings visible wood character across the console, giving the rectangular form a warm, material-rich presence throughout.
- Brass-Finished Base: A metal base in a brass finish lifts the wood case visually, adding contrast beneath the natural drawer storage design.
- Four Drawer Storage: Four deep drawers provide covered storage for entryway pieces, dining extras, or living room odds and ends close at hand.

Item Code	VL-1027-24
Swatch Code	
Country Of Origin	CHINA
Product Materials	Reclaimed Fir, Metal Frame
General Dimensions	71.0" W X 16.0" D X 33.5" H
