

Araya Sideboard Brown

A simple design that packs a punch. Dark stained walnut veneer accompanies black corduroy wood detailing on the Araya Sideboard cupboards. This mid-century modern sideboard's large storage compartment opens to reveal four large shelves, ideal for storing your favorite board games and consoles.

- Modern Silhouette: A clean-lined, modern profile lets this sideboard work in dining and living rooms alike, anchoring a wall or grounding open space.
- Walnut-Veneer Front: A walnut-veneer finish brings warm, natural wood tone to the front, giving the piece a grounded, design-forward look that layers easily.
- Removable Shelving: Four spacious removable shelves let you organize serveware, linens, or media exactly how you like, keeping everyday clutter neatly out of sight.
- Metal Base: A slim metal base lifts the sideboard off the floor, adding a light, contemporary footing that keeps the piece feeling open.
