

Arthur Accent Table Antique Nickel

Bold and beautiful, the Arthur accent table reflects a refreshing, antique finish. Made in iron, this design is solid enough to double as a stool. Design made simple.

- Solid Iron Construction: Crafted entirely from iron, delivering real weight and dependable structure that holds up to daily use as an accent table or occasional stool.
- Antique Nickel Finish: A warm, antiqued treatment gives the iron surface a time-worn quality with tonal depth that feels collected and lived-in from day one.
- Versatile Round Shape: A round profile keeps the visual flow of a room moving, fitting naturally beside seating, in corners, and in tighter layouts without disrupting traffic.
- Table and Stool in One: Solid enough to sit on when extra seating is needed, giving the piece a practical flexibility that most accent tables cannot offer.
