

Azul Agate Accent Table Blue

The Azul Agate accent table is one of our bestsellers for a reason. Its tabletop is constructed from beautiful blue agate stone, so each table is eye-catching and one-of-a-kind. The live edges of the agate are painted gold for a luxurious look in your home.

- Natural Agate Surface: An all-natural blue agate top layers blue, grey, and metallic tones in organic patterns unique to every individual table, making each piece one of a kind.
- Gold-Painted Live Edges: The agate's natural live edges are painted gold, giving the organic stone shape a finished, intentional frame that catches light from every angle.
- Lacquer-Coated Top: A lacquer treatment over the agate adds a protective layer of shine, keeping the stone's natural color and depth looking vivid through everyday use.
- Solid Steel Base: A sturdy steel base provides dependable support beneath the natural stone, grounding the agate's organic shape with clean, contemporary structure.
