Bent Dresser Brown

Your bedroom storage, but with some personality. Bent brings solid acacia front and center, showing off live-edge character through knots, whorls, and grain that make every piece feel one-of-a-kind. Six wide drawers keep the day-to-day organized, and easy slide glides make the routine feel smoother. Iron legs add a clean industrial lift, while an MDF back keeps the silhouette tidy from behind. It's a hardworking dresser that still earns its spot in the room.

- **Live-Edge Presence:** Rustic live-edge detailing and visible grain give the dresser natural movement, while iron legs keep the overall look clean and open.
- **Honest Materials:** Solid acacia forms the main body in a brown finish that highlights knots and whorls, with an MDF back for a clean rear view.
- **Steel-Leg Support:** Iron legs provide steady support and a crisp outline, lifting the dresser off the floor and making cleaning underneath simpler.
- **Six-Drawer Storage:** Six wide drawers on easy slide glides organize clothing and linens, keeping everything accessible and the top free for essentials.
- **Open-Drawer Safety Stops:** Built-in safety stops add stability, support, and tip-over prevention, bringing a layer of security to everyday use.
