

## Berri 39" Natural Burl Coffee Table

**SKU: TOV-OC54814**

The Berri Coffee Table brings a striking sense of natural artistry to the living space, defined by its clean rectangular silhouette and the expressive movement of natural burl veneer. Each piece is inherently unique, with richly varied grain patterns that feel organic, layered, and quietly luxurious. The smooth tabletop offers a generous surface for styling books, ceramics, or everyday essentials, while burl-wrapped legs extend the material story downward, creating a cohesive and sculptural presence from every angle. Its low, grounded profile keeps the look modern and uncluttered, allowing the beauty of the wood to take center stage. Designed as an accent that feels both refined and visually compelling, Berri anchors a seating area with texture, warmth, and an effortless sense of considered design.
