

Bryn Sectional Camel Left

Big, warm, and made to be lived in — Bryn is a sectional you sink into and stay. This left-facing piece joins its counterpart to form a larger-profile sectional with chaise, scaled for relaxed downtime in a warm camel. A 100% polyester cover wraps a solid beech and plywood frame on low-profile oak legs, with foam and fiber cushioning for a soft landing. Rustic warmth, generous proportions. Room enough for four, and then some.

- Classic With A Twist: Warm tones, a clean silhouette, and generous proportions give this sectional a grounded presence that works across a range of styles.
- Textured Camel Upholstery: 100% polyester in a camel hue adds tonal richness and a soft, textured hand that holds up well to daily use.
- Sturdy Frame, Oak Legs: A solid beech and plywood frame finishes with low-profile oak legs for long-term stability and a subtle, grounded sense of lift.
- Sprawl-Worthy Layout: A deep seat and high-comfort foam-and-fiber cushions make it easy to stretch out, pile in, or settle for the evening.
