

Bryn Sectional Left Oyster

Big, warm, and made to be lived in — Bryn is a sectional you sink into and stay. This left-facing piece joins its counterpart to form a larger-profile sectional with chaise, scaled for relaxed downtime in a soft oyster tone. A 70% recycled polyester blend covers an FSC-certified pine and plywood frame, with webbing support and a foam seat finished in full down fill for a soft landing. Room enough for four, and then some.

- **Made To Lounge:** A larger-profile, left-facing piece joins its counterpart to form a full sectional with chaise, scaled for relaxed, rustic downtime.
- **Recycled Upholstery:** A 70% recycled and 30% virgin polyester blend in oyster brings warm, textured color with a soft hand that suits everyday use.
- **FSC-Certified Frame:** An FSC-certified pine and plywood frame with webbing support gives the sectional a sturdy, responsibly sourced foundation made to last.
- **Down-Soft Seat:** A foam seat finished with full down fill delivers a plush, sink-in comfort that keeps its welcoming feel through long evenings in.
- **FSC And GRS Certified:** FSC-certified wood and GRS-certified recycled upholstery together verify responsible sourcing across both the sectional's wood frame and its everyday recycled fabric.
