

Carrie Side Table Walnut

A side table that knows how to keep up. Carrie’s C-shaped silhouette tucks in close, sliding right alongside a sofa for that “everything’s within reach” kind of ease. The softly curved edge brings a little organic calm, while the solid walnut keeps the look grounded and warm. Use it as a classic side table, or pull it forward when you want a compact coffee table moment. Small footprint, big assist.

- **Soft-Curve Silhouette:** A clean C-shape with a gently rounded edge adds organic softness that pairs easily with everything from tailored sofas to loungier profiles.
- **Solid Walnut Warmth:** Crafted from solid walnut in a rich brown tone, bringing natural character and a deeper, moodier finish to the room.
- **Wood-Forward Craft:** Solid wood construction keeps the piece feeling well-made and substantial, with smooth edges that are easy to live with every day.
- **Slides In, Shows Up:** The C-shape tucks close to seating, and it can also pull double duty as a compact coffee table when space needs to flex.
