

Casey Large Coffee Table Dark Brown

Big on presence, low on fuss. The Casey coffee table anchors your space with sculptural simplicity, blending organic warmth with clean, modern lines. Its dark oak finish shows off the natural grain, while a distinctive bullnose-edged pillar adds quiet drama beneath the surface. Crafted with solid oak and oak veneer, it’s built to last—and built to work, thanks to a wide-open base that doubles as display or storage. Strong, grounded, and effortlessly cool.

- Bold, clean lines: A strong silhouette with a sculptural center support keeps things minimal—without feeling cold. It’s modern design with warmth baked in.
- Solid oak build: Made with solid oak and oak veneer for real-wood texture, lasting strength, and rich, natural variation in every piece.
- Crafted to last: A sturdy frame and refined bullnose edging show off thoughtful construction details that are built for real-life use.
- Open storage space: The open base isn’t just for looks—it’s perfect for stashing books, bins, or whatever’s in your daily rotation.
