

Casey Side Table Dark Brown

Architectural elegance meets functional versatility in the Casey side table. Its rounded edge tabletop and shelves, and bullnose-edged vertical support create a soft, inviting silhouette. Versatile and beautifully proportioned, the Casey adapts effortlessly to various settings, offering ample storage and timeless appeal also as a nightstand.

- **Soft Geometry:** Squared silhouette with rounded edges creates an architectural look that feels composed, not rigid, and works beside seating or the bed.
- **Oak Mix Build:** Solid oak edging pairs with oak veneer over MDF for a consistent finish, stable performance, and a more approachable weight.
- **Rounded-Edge Craft:** Thick top and shelves are finished with a smooth rounded profile, adding comfort to the touch and visual polish everywhere.
- **Two-Shelf Storage:** Open shelving keeps books, remotes, and chargers organized while the square footprint lets you place it on either side easily.
