

Cato Outdoor Stool Grey

Our outdoor tables are made with a high quality concrete and fiber mix, to give them the cool, modern look you want, but keeping them light and movable. Cato is makes a great little accent stool with side handles for easy moving wherever you need an extra seat. Or put a plant on him, he won't mind.

- Side Handles: Integrated handles on each side make this stool easy to grab and reposition, bringing practical flexibility to a piece that earns its place anywhere.
- Concrete Composite: A fiber-reinforced material delivers the cool, modern look of natural concrete in a lightweight form that stays easy to manage and move.
- Weather-Ready Design: Water-resistant construction handles sun and rain with ease, keeping the stool looking clean and grounded through changing outdoor conditions.
- Indoors and Out: Works as a patio seat, a garden accent, or even a plant stand inside—the compact shape and neutral tone fit right in wherever it lands.
