

Chameau Side Table Black

Simplistic and bold, the Chameau side table is an exercise in contrast, featuring a hypnotic art deco design. A veneer of white and black camel bone and resin adds a visual statement that contrasts with its simple cylindrical construction. The Chameau series features a coffee table in three sizes and a side table to better suit living spaces of all sizes and shapes.

- Hypnotic Art Deco Pattern: A high-contrast black and white design wraps the cylindrical form, creating bold visual rhythm that turns a simple shape into a focal point.
- Ethically Sourced Bone: Camel bone and resin create a natural surface with depth and texture that shifts subtly across the piece, unique to every table produced.
- Triple-Duty Versatility: Works equally well as a side table, an occasional seat, or a plant stand, adapting to the room's needs without requiring any additional pieces.
- Clean Cylindrical Silhouette: A round, uninterrupted form lets the intricate bone pattern take center stage while the shape stays grounded and easy to place anywhere.
