Chapeau Du Matin Pendant Lamp

SKU: TOV-G19049

The Chapeau Du Matin Pendant Lamp takes its name, French for "morning hat," from its fluid, wave-like fabric silhouette, traced with a fine contrast piping detail. Its asymmetrical, sculptural shape sets it apart from more traditional pendant forms, giving it an artful, gallery-like presence overhead. A striking statement piece, it holds its own as a bold, standalone accent above any table or entryway.
