

Cormac Rolling Dining Chair Slate Green

The Cormac rolling dining chair is all about comfort with a generously padded seat and backrest, a slight curve of the back and caster wheels that effortlessly glide across the floor. Crafted from high-performance fabric that is soft to the touch yet resilient against stains, spills, and daily wear.

- Curved Dining Profile: Soft curves and a tailored seat keep the silhouette relaxed, so it pairs easily with rustic tables, modern rooms, and everyday gatherings.
- Spill-Friendly Upholstery: Soft slate green polyester upholstery brings a grounded green tone with water-resistant and stain-resistant performance for everyday dining.
- Supportive Cushioning: High-density foam cushions the seat and back, while a poplar multi-layer board and LVL frame supports shape and stability over time.
- 360° Rolling Ease: Metal wheels with 360° swivel let you glide into place, shift seats, and slide from dining to desk moments without lifting.
