

Dana Outdoor Accent Chair - Blue

SKU: TOV-O54932

The Dana Outdoor Accent Chair brings a sculptural, lounge-worthy sensibility to outdoor living, designed to make every corner of your patio or garden feel more intentional. Its curved silhouette and generous proportions create a cocooning seat that invites you to settle in, while extra-wide arms add both visual weight and everyday comfort. Handwoven in all-weather resin wicker, Dana offers the warmth and texture of natural fibers with the resilience to stand up beautifully to sun, moisture, and daily use. Plush performance boucle cushions soften the silhouette with a tactile, elevated finish, engineered to resist water, stains, and mildew while maintaining their refined feel. Supported by a lightweight aluminum frame, the chair feels substantial yet easy to move, making it a versatile addition to layered outdoor seating arrangements. Dana brings an effortless, collected feel to open-air spaces.
