

Davie Corner Chair Olive

Corners deserve better than being an afterthought. Davie’s corner chair is the connector that turns your seating into one easy, conversation-friendly zone. Wrapped in Olive performance-treated polyester, it’s ready for everyday spills and quick wipe-downs while staying comfortable. A plywood frame and foam, feather, and fiber cushions keep the sit supportive, and four toss pillows add instant layering. Lock it into your modular plan, then remix the layout whenever you want. PFA-free C0 treatment keeps things cleaner in more ways than one.

- Corner-First Design: This corner chair bridges two sides of your sectional, keeping the layout cohesive and the seating flow easy.
- Performance Polyester: 100% polyester upholstery is treated with C0 technology and is PFA-free, helping resist everyday spills without feeling stiff.
- Supportive Core: A plywood frame pairs with foam, feather, and fiber seat cushions to balance structure and sink-in comfort over time.
