

Denby Outdoor Coffee Table Brown

Lightweight look, laid-back feel. Denby keeps things lifted with an open frame and laid-back feel. A slatted teak top lets light and air move through, while square post legs ground the silhouette. Finished in a warm, toasted tone, it adds natural texture to any setup. Simple, solid, and built to live easy—indoors or out.

- **Slatted Top Air:** The slatted tabletop lets light pass through from every angle, giving the outdoor coffee table a visually lighter presence overall.
- **Solid Teak Warmth:** Solid teak wood with a toasted finish brings natural warmth and durable character to the outdoor seating area it anchors.
- **Square Post Legs:** Square post legs create a clean geometric stance, grounding the long rectangular top with simple, sturdy structure in outdoor settings.
- **Outdoor Living Surface:** The generous rectangular top keeps drinks, books, and trays close, supporting relaxed outdoor lounging with a clear, useful surface area.
