

Easton Storage Coffee Table Brown

Flat geometry gets a third dimension, courtesy of acacia wood. Patterned surfaces catch light and shadow across the Easton storage coffee table, turning two-dimensional design into texture you can run a hand over. A solid acacia base and carcass hold up an acacia veneer top, and one horizontal drawer glides on side-mount ball bearing runners with a safety stop. Simple lines, deep grain, and a place to hide the remote.

- Pattern With Depth: Geometric patterning lifts a flat, square top into three dimensions, so light and shadow shift across the surface through the day.
- Warmth in the Grain: Acacia carries a warm brown tone and open grain, so the wood itself supplies the color and character of the piece.
- Solid Where It Counts: Base and carcass walls are solid acacia, giving the table a steady footing, and a stain-resistant surface takes everyday spills in stride.
- Stash and Slide: One horizontal drawer runs on side-mount ball bearing glides with a safety stop, keeping remotes and coasters close but out of sight.

Item Code	BB-1018-03
Swatch Code	
Country Of Origin	INDIA
Product Materials	ACACIA WOOD, ACACIA VENEER, Base & Carcass Walls in Solid Acacia Wood , TOP Panel Acacia Veneer, Drawer Bottom panel Acacia veneer
General Dimensions	42.0" W X 42.0" D X 16.0" H
