Eleanor Nightstand Black

Regency lines, a marble crown—Eleanor brings the look bedside. Bamboo-style turned detailing runs down a frame finished in matte black, grounded on solid mango wood legs that lift the nightstand. A Banswara marble top adds natural stone character, no two slabs quite alike, while antique brass handles catch the light. Three drawers ride on under-mounted glides for a smooth, quiet pull. Bedside storage with a stately streak.

- Regency-Inspired Lines: Bamboo-style turned detailing and a compact, considered profile give the Eleanor nightstand a stately, Regency-leaning presence right at the bedside.
- Banswara Marble Top: A Banswara marble top brings natural stone character and veining no two slabs share, crowning the nightstand with quiet, grounded weight.
- Mango Wood And Brass: Solid mango wood legs and antique brass handles warm the matte-black frame, balancing the stone top with grounded, natural detail throughout.
- Three Smooth Drawers: Three drawers ride on under-mounted glides for a smooth, quiet pull, keeping bedside essentials organized and close at hand every night.

Item Code	RP-1062-02
Swatch Code	
Country Of Origin	INDIA
Product Materials	Banswara Marble Top, MDF Frame, Case, and Drawers, Solid Mango Wood Legs
General Dimensions	34.0" W X 20.0" D X 29.75" H
