

Ella Dining Chair Cedar Green

An oval shape, softened until it nearly disappears into the silhouette. That's the thinking behind the Ella dining chair — curves that read modern and composed whether the chairs match or mix around the table. A 100% polyester seat in cedar green adds a calm hit of color, while foam padding makes long dinners and work-from-table afternoons comfortable. Underneath, an iron frame holds the shape steady through daily use. Form first, chair second.

- Quiet Contemporary Lines: An oval shape, softened and refined into a modern dining silhouette, looks composed whether the chairs match or mix around the table.
- Fresh Green Upholstery: 100% polyester in cedar green adds a calm hit of color that still plays nicely with neutrals and natural wood tones.
- Iron Frame: An iron frame gives the chair a steady, secure foundation that stays consistent and reassuring through repeated daily use at the table.
- Cushioned Comfort: Foam padding delivers a comfortable sit that suits everyday meals, work-from-table moments, and all the lingering conversations that follow dessert.
