

Emil Dining Chair Berry Set Of Two

Arched and carved, Emil's backrest adds instant depth to your dining space. It's the kind of chair that looks tailored yet feels easy — perfect for long meals and everything between. A warm brown rubber wood frame and clean tapered legs keep the profile airy, while foam-and-fiber cushioning supports you comfortably. Berry polyester upholstery stays crisp and approachable, and plastic glides help chairs move smoothly without scuffing floors. Sit down, settle in, and let conversation lead always.

- **Carved Arch Back:** Arched backrest with carved wood detailing adds depth and dimension, while tapered legs keep the silhouette light and modern around any table.
- **Polyester Wrap:** 100% polyester upholstery in Berry feels smooth and easygoing, pairing with foam and fiber fill for comfortable support that holds its shape.
- **Rubber Wood Frame:** Solid rubber wood frame in a warm brown finish offers sturdy support and a refined contrast to the upholstered seat and back.
- **Glide-Friendly Feet:** Plastic glides help the chair move smoothly on hard floors, reducing scuffs and making it easier to pull in and tuck away.
