

# Evander Console Table Rustic Brown

Hand-painted and crafted from solid reclaimed oak, beautiful natural grains, knots and imperfections take center stage with the Evander console table. Its modern, blocked construction balances rustic and contemporary design with organic energy, adding character and warmth to any space.

- Modern Blocked Form: A geometric blocked construction bridges rustic warmth and contemporary clean lines, creating a console that feels grounded and current in equal measure.
- Solid Reclaimed Oak: Hand-painted reclaimed oak brings a lived-in warmth and material history to the rustic brown surface that new wood simply cannot replicate.
- Unique Reclaimed Markings: Natural grain, knots, distressing, joint lines, and small fissures vary from piece to piece, making every Evander a genuinely one-of-a-kind table.
- Stain-Resistant Finish: The hand-painted surface handles everyday spills without absorbing them, keeping the rustic brown finish looking clean and easy to maintain over time.
