

Faye Right Sectional Beige Boucle

A curved back and firm bench seat give Faye its vintage, art-deco lean—now in modular form. This right-facing piece joins its counterpart to form a full sectional, scaled up in larger, grounded, art-deco proportions. Textured beige boucle brings warmth and a soft hand, while a solid beech and plywood frame with S-frame and webbing keeps everything supported on petite rubberwood legs. Foam and fiber cushioning sinks in for the long lounge. Mix, match, settle in.
