

Finch Sofa Washed Pink

The right angle is everything. Finch is all about form that flatters. Inspired by Mid-Century shapes, it features a subtly angled back, bench seat, and slim cylindrical legs that give it just the right lift. The washed linen-look fabric softens the silhouette with warm, heritage tones and a touchable texture. It's tailored to bring a little posture and a lot of presence to any room. Easy to style. Even easier to sink into.

- Iconic 60s-Inspired Angled Back: Drawing inspiration from the 1960s mid-century design, a distinctive angled back detail brings a bold, vintage flair.
- Minimalist Comfort, Refined: Simple, cylindrical legs made of warm brown-toned rubberwood contribute to the sofa's minimalist silhouette and complement the soft fabric.
- Heritage-inspired Fabric: The fabric's washed, aged appearance in heritage color tones adds a touch of heirloom-like quality.
