

Flutter Framed Painting Cool Beige

The Flutter framed painting captures the essence of motion and nature through its intricate design and textured surface. Inspired by the delicate layers of wings and petals, it features acrylic paint on canvas that adds a tangible depth, creating a 3D effect. The painting explores a spectrum of movement and texture, reflecting the dynamic beauty of fluttering wings.

- Nature in Motion: Intricate layered forms inspired by wings and petals create a sense of flutter and movement, bringing organic energy to the composition.
- Textured Acrylic: Layered acrylic paint on canvas produces a dimensional, almost three-dimensional surface that shifts with changing light and viewing angles.
- Solid Pine Frame: A solid pine frame with a neutral finish keeps the presentation clean and grounded, with hanging hardware included for easy installation.
