

Font Side Table Brass

The Font side table is unquestionably elegant and bold. This contemporary modern accent table is cast in aluminum with a raw brass finish. The Font side table's look is finished with a beautiful black granite top, adding the subtle touch of class to your home.

- Warm Round Profile: A compact round shape in brass and black granite brings quiet Art Deco energy, fitting naturally beside seating or in smaller rooms.
- Black Granite Top: A solid black granite surface adds natural weight and cool contrast, with unique veining and striations that make every top one of a kind.
- Solid Aluminum Base: A sturdy aluminum base finished in brass provides dependable support and a warm metallic tone that complements the dark stone above it.
- Natural Material Variation: Embracing the inherent imperfections of natural stone means each table arrives with surface details and character entirely its own.
