

Freya Accent Chair Light Brown

Soft curves, warm tones, and a seat made for lingering. A gently sculpted, curved silhouette gives the Freya accent chair a relaxed, modern presence, upholstered in light brown chenille for soft, neutral warmth. Foam and fiber fill shapes a curved back and seat that lounge as good as they look, all grounded on a plywood frame. A quietly grounded lounge chair that layers into almost anything.

- **Softly Curved:** A gently sculpted, curved silhouette brings warm, modern presence to a living room, bedroom, or quiet reading corner, wherever it lands.
- **Soft Light Brown Chenille:** Light brown chenille brings a soft, neutral warmth and gentle texture that layers easily into modern, transitional, and casual rooms alike.
- **Curved For Comfort:** Foam and fiber fill shapes the curved back and seat for a relaxed, ready-to-lounge sit that holds up day to day.
- **Grounded Frame:** A plywood frame anchors the curved silhouette, giving the lounge chair steady, everyday-ready support beneath its soft, relaxed lines, day after day.
