

Freya Dining Chair Light Brown

Compact, modern, and easy to layer in. A clean, compact profile gives the Freya dining chair an easy modern presence, upholstered in light brown polyester for a soft, neutral look that suits modern and transitional rooms. Foam and fiber fill over a plywood frame keeps everyday seating comfortable, while the small footprint suits dining rooms, kitchens, and home offices alike. A little chair that pulls more than its weight at the table.

- Compact And Modern: A clean, small-footprint profile slips easily into a dining room, kitchen, or home office without crowding the space or the floor plan.
- Neutral Light Brown: Versatile light brown polyester brings a soft, neutral presence that layers easily into modern and transitional dining rooms without competing for attention.
- Cushioned Sit: Foam and fiber fill shapes a comfortable seat that holds up through long meals, work sessions, and lingering table conversations.
- Plywood Frame: A plywood frame gives the compact chair steady, everyday-ready support that holds up beneath its clean, modern lines, meal after meal.
