

Gibson Coffee Table Burl

Coffee tables do a lot — Gibson does it with a little swagger. Warm burl patterning turns everyday surfaces into something you actually notice, while solid oak legs keep the look grounded and calm. The top, sides, and drawer fronts are MDF with burl veneer for consistent grain, paired with black metal pulls for crisp contrast. Two drawers with undermounted glides keep remotes and coasters out of sight. Meet your new living-room organizer for the everyday chaos.

- Pattern, Not Noise: Burl veneer brings rich movement to the profile, balanced by simple lines and solid oak legs that read modern, not fussy.
- Burl Meets Oak: MDF panels wrapped in burl veneer keep the surface consistent, while solid oak legs and frame add natural warmth and stability.
- Smooth Storage Build: Solid oak legs and frame support a boxy silhouette, with drawer fronts aligned for a clean look and easy daily use.
- Two Hidden Drawers: Two drawers slide on undermounted glides, so remotes, coasters, and reading glasses disappear fast, then come back just as easily.
