

Godenza Small Coffee Table Brown

A sculptural base earns this coffee table a second look before you even notice the surface. Solid American walnut with a warm finish brings natural grain, knots, and character that vary from piece to piece—no two tables are the same. The rectangular top sits low and grounded, anchoring a living space with mid-century roots and contemporary ease. A quiet piece that lets the wood do the talking.

- **Sculptural Base:** A carved base design gives this coffee table architectural interest, turning its underside into a design detail worth noticing.
- **Solid American Walnut:** Crafted from solid American walnut, showcasing rich, warm grain patterns and natural character that deepen over time.
- **Natural Variation:** Each piece reflects the unique grain, knots, and tonal shifts inherent in solid wood, ensuring no two tables are alike.
- **Low Profile:** A grounded, rectangular top provides a generous surface for everyday living without visually crowding the space around it.
