

Grace Accent Table Black Oak

The Grace accent table introduces serenity to any space with its effortless elegance. A timeless sculpture crafted from solid black oak, the table's geometric shapes reveal the raw, natural beauty of the wood while still offering sleek versatility. Whether as an accent table, an end table, or a nightstand in a calm bedroom, this piece is an organic and elemental addition that seamlessly enhances the aesthetics of any living space.

- **Sculptural Geometry:** A geometric base and round top create a profile that looks different from every angle, adding visual interest to any room it anchors.
- **Solid Oak Frame:** Crafted entirely from solid oak, delivering the weight, warmth, and natural character that only real hardwood brings to a piece.
- **One-of-a-Kind Grain:** Natural variation in the wood's character, grains, and knots means every table arrives with markings and details unique to that piece alone.
- **Scratch-Resistant Surface:** Holds up to the bumps and scuffs of everyday use, keeping the black semi-gloss finish looking sharp and intentional over time.
