

Harmony Accent Chair Blush Faux Mohair

Rolled arms and continuous piping trace a traditional line—Harmony keeps it current. The accent chair softens that classic profile with a gentle curve, perched on turned birch legs that lift it off the floor. Dense faux mohair in a warm brick red, a 100% polyester velvet, brings a plush look that suits busy rooms and relaxed everyday lounging. A plywood frame and foam-and-fiber cushioning keep the seat steady. Traditional bones, easygoing attitude.
