

Hiroki Accent Table Brown

When less is more. Beyond minimalism, there is “MA,” an ever-present concept intrinsically woven into all aspects of Japanese daily life. MA is like a holder within which things can exist, stand out, and hold their meaning. It is the actual emptiness that becomes full of possibilities. With a deliberate beginning and a purposeful end, Hiroki holds to this ethos stylized as an accent table rooted in nature. Zen, this table is fluent in itself, sitting shallow to the wall in 100% matte walnut.

- Slim Rectangular Profile: A narrow contemporary shape designed to tuck into tight corners, hallways, and beside-the-sofa spots where every inch of floor space counts.
- Solid Walnut Throughout: Crafted entirely from solid walnut, bringing rich natural grain and the kind of material depth that only real hardwood can deliver.
- Matte Walnut Finish: A soft matte treatment lets the natural grain speak for itself, adding quiet warmth and a grounded, lived-in feel to the surface.
- Considered Storage: An integrated storage space keeps small essentials within reach and off the tabletop, helping the surface stay clean and uncluttered.
