

Hourglass Outdoor Stool Grey

- The Hourglass outdoor stool exudes a sleek, modern appeal with its high-quality concrete and fiber mix construction making it functionally lightweight and exceptionally strong. This progressive piece beautifully enhances any outdoor or indoor setting with enduring character.
- Hourglass Silhouette: A tapered, curved form turns a simple stool into a sculptural accent, adding visual interest to patios, living rooms, and entryways alike.
 - Concrete Composite: Fiber-reinforced construction captures the texture and tone of natural concrete while keeping the stool lightweight and easy to reposition.
 - One of a Kind: Natural variations in color, pattern, and texture mean no two stools are exactly alike, giving each piece its own individual character.
 - Indoors and Out: Water-resistant construction lets this stool shift between outdoor gatherings and indoor spaces without special treatment or worry about the elements.
