

Imogen Sectional Olive Right

A chaise, three cushions, and one well-sloped arm. Generous seating gives the Imogen right sectional an easy everyday rhythm, with a subtle arm and back slope softening the transitional profile. Light olive polyester velvet keeps the surface soft and easy to clean, while high-density foam, memory foam, and fiber create a medium-soft sit. An engineered wood and plywood frame supports the relaxed layout. Stretch right, settle in.

- Sloped Everyday Profile: A subtle sloped arm and back give the Imogen sectional a transitional shape with a softer modern line, giving the profile a more considered shape.
- Light Olive Velvet: Easy-to-clean polyester velvet in light olive brings a sage-green tone and soft surface to generous seating, keeping the fabric easy to enjoy daily.
- Layered Cushion Comfort: High-density foam, memory foam, and fiber create a medium-soft seat, with three lumbar cushions included for support, for comfort that settles in easily.
- Right Chaise Layout: A right-facing chaise extends the seating, giving the sectional a clear lounge zone for stretching out, for an easy stretch-out spot in the layout.
