

Isabelle Nightstand Light Blue Stripe

A striped curtain hides the storage—oak handles the rest. Clean-lined oak meets a gathered fabric curtain, giving the Isabelle a balance of structure and softness with a relaxed, lived-in feel. Solid oak and oak veneer shape the case around two framed drawers on soft-close glides, while a removable light blue stripe curtain conceals open lower shelving. Tapered legs and tailored proportions keep it refined, and round metal knobs finish the front. Heritage looks, easy bedside function.

- **Structure Meets Softness:** Clean-lined oak paired with a gathered fabric curtain balances structure and softness, giving the nightstand a relaxed, heritage-inspired look at the bedside.
- **Oak and Stripe:** Solid oak and oak veneer bring warm grain to the case, while a light blue micro-stripe curtain adds pattern, texture, and lived-in character.
- **Soft-Close Drawers:** Two framed drawers glide on soft-close under-mounted hardware, opening smoothly and closing quietly, with round metal knobs for an understated finish.
- **Curtained Storage:** A removable fabric curtain conceals open lower shelving, offering a casual alternative to cabinet doors and easy access to everything you keep bedside.
