

GENESIS GES60

With a whimsical spirit and sophisticated flair, the Genesis collection features an assortment of hand-tufted rugs sure to liven any contemporary home. Punctuated by bold color, the Prause design boasts a mottled abstract pattern for an eclectic touch of style. Tones of gray, bronze, copper, charcoal, and tan mix together for a mineral-inspired palette. Lustrous viscose blends elegantly with the natural wool fibers for a plush and ultra-soft feel. The luxurious pile best suits low traffic areas in the home such as bedrooms, formal dining areas, formal living rooms, and sitting rooms.
