

SERENITA SRE08

Clean, stepped lines create a modern rhythm in the Albertine design from the Serenita collection. Ivory and warm tan form an interlocking trellis that feels both structured and serene. Its dimensional look is achieved through space-dyed yarns - adding subtle tonal variation - and cross-woven construction, which blends multiple hues for a more defined, high-resolution pattern. Power-loomed from 100% polyester, it is designed for everyday living, offering durability, fade resistance, and easy care. Its low-profile pile with carved high-low detailing adds texture, softness, and a gentle lustrous sheen that elevates the geometric design.
