STORY LOOM STL01

The Vasanta design from the Story Loom collection introduces a grounded natural aesthetic, where soft tan tones and a subtle heathered effect create a layered, organic look. Handwoven by artisans, it blends predominantly natural sisal with wool. Sisal offers exceptional durability, structure, and a distinct textural character. The result is a boucl?-style pile that feels both architectural and inviting, designed to hold its shape and beauty over time while bringing an effortless, earthy refinement to everyday spaces.
