

THALIA THA02

From ethereal abstract motifs to elegant scrolling florals, the Thalia collection boasts a soft, tonal touch that complements an array of interior styles. The traditional, floral medallion and thick border of the Trifine area rug pair effortlessly with the cool gray, cream, gold, slate, and dark gray colorway. Both water and stain-resistant, the high-low polyester and polypropylene fibers are easy to clean while maintaining a plush feel underfoot. This power loomed piece can endure high traffic areas, children, and pets, creating a perfect accent for any modern home.
