

## Jess 20" Capiz Shell Nightstand

**SKU: TOV-B54954**

The Jess Nightstand is a whole mood in the best possible way. That arched silhouette, the scallop-edged open shelving, the hand-applied capiz shell inlay in a dreamy teal mosaic. This is the kind of piece that makes your entire bedroom feel like it was styled on purpose. Each shell catches the light with a soft, translucent shimmer that shifts throughout the day, giving the piece a living, almost glowing quality that no painted finish could ever replicate. Two open shelves framed by sculptural scalloped cutouts keep your bedside favorites beautifully on display, from a stack of books to a candle to whatever objects currently have your heart. Built on a solid wood internal frame and sealed with a protective resin topcoat, it is as sturdy as it is stunning. No two are identical, and honestly, that is the whole point.
