

## Jordan 70" Textured Performance Velvet Loveseat - Blush

SKU: TOV-L54904

The Jordan Loveseat brings a sculptural softness to modern living, defined by its fully rounded silhouette and quietly bold presence. Wrapped in easy-clean, contract-grade textured velvet, the upholstery offers a plush, inviting hand with a subtle sheen that catches the light just so. A fully upholstered base keeps the look low and seamless, allowing the curves to take center stage while maintaining a refined, contemporary edge. Designed to feel as good as it looks, the supportive foam seat holds its shape beautifully over time. Whether styled as a statement on its own or paired with matching pieces for a more curated moment, Jordan effortlessly elevates smaller spaces, bedrooms, or layered seating areas with a sense of intentional, design-forward ease.
